

# Merit Matters

November 2008

Publication of the Personnel Board of Jefferson County

Online at [www.pbjcal.org/meritmatters.aspx](http://www.pbjcal.org/meritmatters.aspx)

## Changes to Merit System Rules and Regulations Face Last Approval Phase

The Merit System of Jefferson County is currently operating under Rules and Regulations that were last revised in April, 2005. Since that time there have been recommendations made to change the rules as well as requests for rule clarification.

The Personnel Board solicited suggestions from appointing authorities, employees and the general public regarding changes and additions to the Rules and Regulations from October 19, 2007, through January 11, 2008. We received over one hundred comments and suggestions. Thank you for the great response.

You can now view and comment on the proposed additions and changes at [www.pbjcal.org/regchanges.aspx](http://www.pbjcal.org/regchanges.aspx). Please let us know your comments by close of business on **November 20, 2008**. The comment period will be followed by a public hearing on **December 2, 2008**.
