Green Team Lunch-N-Learn Event

The Personnel Board's Green Team is hosting a brownbag lunch-n-learn.

The guest speaker will discuss topics such as reducing financial strain, saving money, and ways to earn some green. Cost-saving tips such as carpooling will also be covered. So, come on down, bring your lunch, and discover how you can keep a little more cash in your pocket.

The event will be held on Friday, May 22, at 11:30am on the 10 the floor of the 2121 Building.

GREEN TIP OF THE MONTH

Going green can also put a little green back into your pocket.

Turn off the car instead of idling when waiting in a carpool lane for the kids at school. When a car idles for more than 30 seconds it is actually using more gas, releasing more greenhouse gases into the air than if it were turned off.
