## Get Connected to the Personnel Board

The Personnel Board's PBJCAL website has been given a face lift. The web address is the same, [www.pbjcal.org](http://www.pbjcal.org), but the site has a fresh new look and feel. It's easier to navigate with simple links to key pages that provide comprehensive information about the Merit System of Jefferson County and the Personnel Board.

Its user-friendly design makes finding information simple. Access the site to find the Rules and Regulations, business forms, public notices, salary schedules, job descriptions, the staff directory, and much more. Using the web as a communications tool and as a way to make information accessible to employees and to the public is an important strategy of the Board in its efforts to improve transparency and to make doing business with the Board easier.

The improved PBJCAL website is just one of the websites administered by the Personnel Board. Take a moment to visit our other sites at [www.jobsquest.org](http://www.jobsquest.org), [www.meritmatters.org](http://www.meritmatters.org), and [www.pbjcal.org/cz](http://www.pbjcal.org/cz).
