Gas Prices Costing You an Arm and a Leg?

Introducing My Merit Matters Commuter Club! A free service available to anyone in the Merit System. When you register for The Commuter Club, we will try to match you with other Merit System employees who live and work near you. You'll receive a list of Merit System employees who have similar schedules and destinations. You can then make arrangements to form a carpool. Remember, just by sharing the ride with one other person, you can cut your commuting costs in half or less. Go to www.meritmatters.org to register today!
