Such individual may receive Seniority credit in the Classified Service for time served in the Exempt Executive Service, to the extent provided by applicable state law.

g. Exempt Executive Service appointments may continue after the swearing in of a new Appointing Authority with no further action required of the new Appointing Authority. Should the new Appointing Authority wish to discontinue any appointment to the Exempt Executive Service, the Appointing Authority shall notify the employee in writing that the Executive Exempt appointment is being terminated and notify the Director of the separation of the employee, including the effective date, from the Exempt Executive Service in accordance with Rule 6.1c.

6.2 EXEMPT EXECUTIVE SERVICE FOR JEFFERSON COUNTY COMMISSION

a. The Board may designate or create positions in the County Exempt Executive Service upon such request by the County Manager for Jefferson County, Alabama. The Director shall review the request and provide a recommendation for consideration by the Board.

c. Employees appointed to the County Exempt Executive Service serve at the pleasure of the County Manager and have no rights of appeal to the Board, and no property interest in the exempt job. However, the County Manager shall inform the Director of the appointment of any employee to a position in the Exempt Executive Service or separation of any employee from a position in the Exempt Executive Service through appropriate written or electronic means as prescribed by the Director.

d. The rate of compensation and associated benefits for employees in the County Exempt Executive Service shall be set by the County Manager with approval by the majority of the County Commission; however, such employees may receive the same benefits, including but not limited to retirement benefits, available for Classified Employees unless the Executive Exempt employee elects in writing to forfeit such participation.

Such a move to the Exempt Executive Service for Jefferson County requires the approval of the Appointing Authority and the Personnel Board.

RULE 7: CLASSIFICATION PLAN

7.1 COMPOSITION OF THE CLASSIFICATION PLAN

The Classification Plan shall:

- a. Ensure similar Positions in terms of job duties, difficulty, responsibility, and general qualifications, are grouped within the same job Class.

The question of whether or not an employee has been assigned to the proper Class and Pay Grade shall be a matter subject to the decision of the Board.

7.2 RESTRICTION

No person shall be appointed to or employed in a position under a title not included in the Classification Plan. Working titles used in the course of departmental routine to indicate authority, status in the organization, or administrative rank may be continued in use for those purposes.

7.3 USES OF THE CLASSIFICATION PLAN

The Classification Plan is to be used as a guide to:

- a. Determine lines of Promotion;
- b. Develop employee training programs;
- c. Determine, in conjunction with wage surveys and job evaluation, salaries to be paid for various types of work;
- d. Determine personnel service items in departmental budgets; and
- e. Provide uniform job terminology understandable by all officials, employees, and the general public.

7.4 ADOPTION OF THE CLASSIFICATION PLAN

The Director shall submit a proposed Classification Plan to the Board for annual approval no later than thirty (30) calendar days following its completion. Upon receipt of the proposed Classification Plan, the Board shall hold a Public Hearing upon no less than twenty (20) calendar

days' notice to all Appointing Authorities, Department Heads, Classified Employees, and the public, in order to provide an opportunity for comment. No later than thirty (30) calendar days after the close of the Public Hearing, the Board shall adopt, modify, or return the proposed Classification Plan to the Director for further revisions consistent with the Board's recommendations. The Classification Plan shall become effective thirty (30) calendar days after adoption by the Board. Upon final approval by the Board, the Director shall certify the Classification Plan and forward a copy to each Appointing Authority.

7.5 MAINTENANCE OF THE CLASSIFICATION PLAN

The Director shall maintain the Classification Plan so that it reflects the duties performed by each Classified Employee and the Class to which each position is allocated. It shall be the duty of the Director to:

- a. Recommend the establishment of new Classes and the deletion or revision of existing Classes.
- b. Review the duties and responsibilities of each new position established and, with approval of the Board, allocate the position to the appropriate Class. If requested, the Appointing Authority shall submit to the Director, in writing, a description of the proposed duties of each new position sought to be established.
- c. Conduct periodic audits of Positions and job Classes in order to determine changes in duties and responsibilities, and on the basis of findings, make any necessary changes to Job Descriptions, assigned Pay Grades, or reclassification of Positions. Position audits may be conducted at the request of the employee, Appointing Authority, or on the initiative of the Director. Changes in duty assignments must be more than temporary in nature, and the incumbent must be performing the duties for a sufficient duration to warrant investigation.
- d. Direct the grading and classifying of all positions in the Classified Service at least once every five (5) years.
- e. Notify Appointing Authorities, Classified Employees, and any other person(s) affected by a reclassification of a position or change in Pay Grade. Any employee whose position is reclassified or regraded may within ten (10) Calendar Days of such action provide written comments and information to the Director for his consideration.

- b. The Appointing Authority shall be responsible for notifying Classified Employees as to the allocation of their respective positions.
- c. A copy of the Job Description and individual allocation shall be made available to the employee or his representative on request.

7.7 RECLASSIFICATION OF POSITIONS

The reclassification of any Position from one Class to another Class shall be implemented as set forth in this Rule 7.7.

a. When a Position is recommended for reclassification to a different job Class, the Appointing Authority shall have the option of reclassifying the Position to the recommended Class or changing, refining, or limiting the duties performed by the Position in question to coincide with those of the current Class. The Appointing Authority's decision to either reclassify the Position or refine the Position's job duties to be consistent with the assigned Class shall be communicated in writing to the Personnel Board within ten (10) Business Days of the date of the written notice of the reclassification recommendation.

b. If the Appointing Authority elects to reclassify the Position to the recommended Class, then the Board will reclassify the Position to the new Class. The incumbent's status in the reclassified Position will be determined as follows:

1. If the reclassification is to a job Class of the same Pay Grade (i.e., a lateral reclassification), then the incumbent employee may be considered for placement in the reclassified Position so long as the employee meets all minimum qualifications, excluding any promotional eligibility requirements, such as permanent status in a particular Class and/or time in Class or grade. If the employee meets those minimum qualifications, then the Appointing Authority may request to place the employee into the Position in the reclassified Class through written request to the Personnel Board. If the employee does not meet the minimum qualifications or is otherwise not selected by the Appointing Authority to be placed into the reclassified Position, then the employee shall be treated in accordance with paragraph (b)(3) of this Rule. In the event of a lateral reclassification, the employee shall carry his or her anniversary date, Pay Grade, and Pay Step forward into the reclassified Position, and no Probationary Period shall be necessary.

2. If a Position is reclassified to a Class assigned a higher Pay Grade, the incumbent employee may be considered for appointment to the reclassified position as provided in subparagraphs (i) through (iii). Appointment of the incumbent employee to the reclassified Position shall constitute a Promotion under these Rules. The Appointing Authority may request to fill the reclassified Position by submitting a request for a Certificate of Eligibles to the Personnel Board.

(i) If the incumbent employee is on an active Eligibility List for the reclassified Class, a Certificate of Eligibles shall be certified to the Appointing Authority upon request in accordance with these Rules and shall include the incumbent employee if not otherwise listed.

(ii) If no Eligibility List for the reclassified Class exists, the Personnel Board shall establish an Eligibility List as expeditiously as is feasible by posting the job for application. The incumbent employee must apply during the posting period, meet the minimum qualifications, and successfully complete and pass any required competitive examination. A Certificate of Eligibles shall be issued to the Appointing Authority in accordance with these Rules along with the name of the

incumbent employee, if not otherwise included. If an Eligibility List cannot be established within 30 Calendar Days after the Appointing Authority requests the reclassification, the incumbent employee may be placed in a Temporary Reclass Appointment pursuant to Rule 11.3(c), provided the employee meets the minimum qualifications for the position. The Temporary Reclass Appointment shall continue until such time as the Eligibility List is established.

(iii) If an Eligibility List exists but the incumbent employee is not on the list, the Personnel Board shall permit the incumbent employee to submit an application to be placed on the Eligibility List. The employee must meet the minimum qualifications and successfully complete and pass any required competitive examination. The incumbent may be scheduled to complete the competitive examination at a date and time as approved by the Director. If the incumbent employee passes the examination, then the employee shall be placed on the Eligibility List and a Certificate of Eligibles shall be issued to the Appointing Authority in accordance with these Rules along with the name of the incumbent employee, if not otherwise included. If the Personnel Board cannot administer any required competitive examination within 30 Calendar Days after the Appointing Authority requests the reclassification, the incumbent employee may be placed in a Temporary Reclass Appointment pursuant to Rule 11.3(c), provided the employee meets the minimum qualifications. The Temporary Reclass Appointment shall continue until the required Competitive Examination has been administered.

3. In the case of an incumbent employee who for any reason fails to qualify for appointment to the reclassified Position, the incumbent may not remain in the reclassified Position. In this circumstance, the Appointing Authority may:

(i) Revert to the initial option of changing, refining, or limiting the duties performed by the Position in question to coincide with those of the initial Class, and not reclassify the Position; or

(ii) Reassign the incumbent to any vacant Position within the previously assigned job or a job of the same Pay Grade for which the incumbent satisfies the minimum qualifications.

7.8 JOB CLASS RESTRUCTURE

In order to maintain an efficient and effective Classification plan, it may be necessary at times for the Personnel Board to restructure an established job Class(es) by combining two or more existing classes into a single job Class, referred to as a job Class collapse, or separating a single job Class into two or more Classes, referred to as a job Class split. Positions within any job Class(es) affected by a job Class restructure shall be handled in accordance with the procedures set forth in this Rule.

a. When the Personnel Board executes a job Class collapse or job Class split as part of maintaining the Classification plan, the movement of positions from the affected Class(es) into the surviving, revised, or newly created Class(es) shall be treated as a Classification structure

change and not as a new appointment, promotion, demotion, transfer, or separation from the Classified Service.

b. An incumbent within a Position assigned to a Class affected by a job Class collapse or a job Class split, shall be moved with the Position into the surviving, revised, or newly created Class. Such movement shall be made with the retention of all Seniority time and rights of Seniority in the previously held Class, including anniversary date, pay rate (unless modification is required to be placed within pay range of the established Pay Grade of the Class to which the Position is moved), applied premium pay, and accrued vacation and sick leave. The employee shall not be required to serve a new Probationary Period as a result of the job Class collapse or job Class split.

7.9 CREATION OF NEW JOB CLASSES

No new job Class shall be created without prior approval of the Board.

RULE 8: PAY PLAN

8.1 PREPARATION OF THE PAY PLAN

The Director shall, after consultation with the Appointing Authority, prepare a Pay Plan setting forth the Pay Grade assigned to each Class (the "Pay Plan"). In establishing the Pay Plan, the Director shall consider the following factors:

- a. Varying degrees of difficulty and responsibility among related Classes;
- b. Prevailing rates of pay for similar employment in private establishments and other public entities within the relevant labor market;
- c. Recruiting experience for the several Classes; and
- d. Financial conditions of the Appointing Authorities.

8.2 ADMINISTRATION OF THE PAY PLAN

Each Classified Employee shall be paid at one of the steps within the Pay Grade set forth in the Pay Plan for the position in which he or she serves, in accordance with these Rules and the special provisions for administering the Pay Plan.

a. Initial Rate of Pay Upon Appointment to a Classified Position.

1. Salary Rate for Job Classes Requiring State Certification or Licensure. An individual who does not possess a State of Alabama licensure or certification that is required to fully function in the assigned job Class (including but not limited to Police Officer and Firefighter) may, at the discretion of the Appointing Authority, be appointed up to Step 4 of the Pay Grade assigned for the position to which the appointment is made; however, such individual shall not be eligible for an authorized advanced step outlined in Rule 8.2(b).

2. Salary Rate for Appointment to Other Job Classes.

(a) Appointment of Individuals from Outside the Classified Service. An Appointing Authority may approve an appointment of an individual from outside of the Classified Service to a position within the Classified Service at step 1, 2, 3, or 4 of the Pay Grade for the position to which the appointment is made without further approval from the Board.

(b) Appointment of Individuals from Within the Classified Service. An Appointing Authority may approve an appointment of an individual currently employed in the Classified Service to another position within the Classified Service up to step 4 of the Pay Grade for the position to which the appointment is made or up to a step in that Pay Grade that is no more than 10% above the Classified employee's current rate of pay without further approval from the Board.

b. Authorized Advanced Step. An Appointing Authority who wishes to make an appointment above the rate of pay allowable under Rule 8.2(a)(2) must submit a request for approval of the desired Pay Step to the Board prior to appointing the individual to the job Class.

The Board may authorize an appointment at a higher Pay Step within the assigned Pay Grade when:

1. There is a lack of available candidates for recruitment at step four (4) of the Pay Grade;
2. A former, satisfactory employee is reemployed in the Class formerly held;
or
3. The candidate possesses any State of Alabama licensure or certification required for the job and has education and/or experience qualifications that substantially exceed the compensable factors for the position.

c. Annual merit increase. At the discretion of the Appointing Authority, Classified Employees may, upon their anniversary dates, be eligible for an annual merit increase of one Pay Step within the established Pay Grade for their positions until such time as the Classified Employee reaches the maximum Pay Step for the Pay Grade. A Jurisdiction may adopt a policy that allows an Appointing Authority to deny a merit increase to employees who have failed to perform in a satisfactory manner, as documented on his or her overall annual performance appraisal, for the period covered by the annual merit increase. The Jurisdiction's policy governing such action must establish the overall annual performance appraisal rating that must be achieved for satisfactory performance, must be consistently applied among all similarly situated Classified Employees, and must be on file with the Personnel Board. If the Appointing Authority denies an annual merit increase and, at a later date based on improved performance of the employee, wishes to issue a delayed merit increase, then a written request must be submitted by the Appointing Authority to the Personnel Director requesting the delayed merit increase. Such delayed merit increase shall not be retroactive and shall extend the employee's anniversary date one year from the effective date of the merit increase. Performance Reviews and associated ineligibility for merit increase are not subject to appeal to the Board.

d. Salary Rate Following Demotion. The new base rate of pay for a Classified Employee who is demoted shall be the greater of:

1. The Pay Step in the Pay Grade after Demotion that results in a five (5) percent reduction in pay rate; or
2. The reduction in compensation necessary to place the Classified Employee at the maximum Pay Step of the Pay Grade for the Class to which the employee has been demoted.

e. Salary Rate Following Transfer. Except as noted below, when a Classified Employee is transferred from one Jurisdiction to another, in accordance with Rule 11.10, he or she shall be placed into the Pay Step of the established Pay Grade within the receiving Jurisdiction that most nearly approximates, without resulting in a reduction, his or her base pay rate prior to Transfer. However, a reduction in base pay rate is required if the base rate of pay being received prior to Transfer exceeds the base pay rate associated with Step 10 of the Pay Grade within the receiving Jurisdiction. In such instances, the employee shall be placed at Step 10 of the established Pay Grade within the receiving Jurisdiction. Such Classified Employee shall not be considered to have been promoted or demoted and his or her anniversary date shall not be changed.

In the event a Firefighter or Police Officer Transfers to a Jurisdiction with a pay schedule higher than the Jurisdiction from which he or she is transferring, such that his or her salary, pursuant to this Rule, would most nearly approximate Step 1 of the new Jurisdiction's pay schedule, the employee's salary shall be placed at Pay Step 2.

8.3 PROCEDURE FOR THE ANNUAL ADOPTION OR AMENDMENT OF THE PAY PLAN

The Director shall submit a proposed Pay Plan to the Board for annual approval no later than thirty (30) calendar days following its completion. Upon receipt of the proposed Pay Plan, the Board shall hold a Public Hearing upon no less than twenty (20) calendar days notice to all Appointing Authorities, Department Heads, Classified Employees, and the public, in order to provide an opportunity for comment. The Board shall adopt, modify, or return the proposed Pay Plan to the Director for further revisions consistent with the Board's recommendations. The Pay Plan shall become effective within thirty (30) calendar days after adoption by the Board. Upon final approval by the Board, the Director shall certify the Pay Plan, and make available a copy to each Appointing Authority.

8.4 INTERIM AMENDMENTS TO THE PAY PLAN

The Pay Plan may be amended in the interim in the following manner:

a. Adjustment of Entire Schedule. The governing body may adjust the salary schedule in the Pay Plan by applying the same percentage increase or decrease to the entire schedule. However, a governing body must obtain the advance approval of the Board if:

1. It desires to increase the entire schedule within twelve (12) months after the adoption of a new salary schedule; or

2. It desires to increase the entire schedule within twelve (12) months immediately preceding any primary or general election in which members of the governing body are to be elected.

b. Adjustment of Less Than Entire Schedule. The governing body may change the rate of pay of one Class or a number of Classes in the Pay Plan as set forth in this subsection. The governing body shall pass an order or resolution setting forth the Class or Classes to be affected and the rates of pay proposed to be assigned to each Class, and shall within ten (10) calendar days of passage file a certified copy of such order or resolution with the Board. The resolution or order shall become valid and operative according to its terms unless the Board disapproves of such resolution or order within thirty calendar days after the date of filing with the Board. If the Board disapproves the resolution or order, it shall be invalid and of no legal effect.

c. By the Board. The Board may, upon written recommendation of the Director, the Appointing Authority, governing body, Department Head, or employee representative, amend the Pay Plan, taking into account changes in responsibilities, availability of labor supply, prevailing rates of pay, or other pertinent factors.

RULE 9: RECRUITMENT AND EXAMINATIONS

9.1 RECRUITMENT

Individuals shall be recruited for employment in the Classified Service from a geographic area as wide as is possible, in order to ensure the best-qualified candidates. Employment in the Classified Service shall not be limited to residents of the County.

9.2 ANNOUNCEMENTS

a. Announcements. This Public Notice shall be for no less than ten (10) Business Days. The announcement period and the specific opening and closing dates for filing applications shall be at the discretion of the Director, taking into consideration the number of positions to be filled, the availability of applicants, and the geographical area of recruitment.

1. The method of recruitment (see Rule 9.6);
2. The opening date and, if known at the time of posting of the announcement, the closing date for the filing of applications;

9.3 ACCEPTANCE OF APPLICATIONS

An individual may apply for a position by completing and filing the application forms prescribed by the Director. Completed applications will be accepted only during the time period specified in the announcement. The Director may, under circumstances he or she deems reasonably necessary, extend the application acceptance period beyond the closing date specified in the announcement. Any extension or re-announcement of the application acceptance period must be publicly noticed in accordance with Rule 9.2(a).

9.4 PREEMPLOYMENT BACKGROUND SCREENING

An Appointing Authority may conduct permissible pre-employment background screening of all Eligible Candidates certified by the Director, provided such screening is consistent with all applicable state and federal laws, regulations, and guidelines.

9.5 DISQUALIFICATION FROM RECRUITMENT AND/OR EXAMINATION

Upon the Director's own initiative, or upon the written request of an Appointing Authority supported by appropriate documentation, the Director may declare an Applicant ineligible for recruitment and/or examination, for any one or more of the following reasons:

- a. Failure to meet the minimum qualifications for the Class for which the Applicant has submitted an application;
 - b. An unsatisfactory employment record that demonstrates unsuitability for employment in the Classified Service or in the particular Class in question (including, but not limited to, any separation from the Classified Service other than in Good Standing);

 - i. If the Applicant exceeds the maximum age prescribed for the Class where age is a bona fide occupational qualification;
 - j. If the Applicant is, at the time of submission of the application or at any time thereafter for the life of the Eligible Register, employed by an Appointing Authority in the Class for which application is submitted;
 - k. Failure to attend or complete all components of the prescribed selection procedure, including any candidate orientation session(s);
 - l. Commission of any act prohibited by Rule 9.14;
 - m. Commission of any act constituting "cause" for disciplinary action under Rule 12.2;
- or
- n. Any other good cause consistent with the intent and spirit of the Act.

The Director shall provide timely written or electronic notification to any applicant disqualified from examination. An Applicant who is disqualified from examination may appeal in accordance with Rule 9.12(a).

9.6 METHODS OF RECRUITMENT

- a. The Director, in his sole discretion, may utilize the following types of recruitment:
 - 1. Open Competitive. In open competitive recruitment, competition is open to all applicants who meet the announced minimum qualifications for the examination.
 - 2. Promotional. In promotional recruitment, competition is limited to current Classified Employees with Regular Status in lower related Classes, as specified by the Director, who meet the announced minimum qualifications for the examination. A

promotional examination may, but need not, be limited to less than all Appointing Authorities or less than all departments within an Appointing Authority.

3. Open-Promotional. In Open-Promotional recruitment, competition is open to all applicants within and outside of the Classified Service who meet the announced minimum qualifications for the examination. Applicants within the promotional sequence are treated as promotional candidates under Rule 9.8(b) for vacancies within their employing Jurisdiction. Applicants outside the promotional sequence, outside the employing Jurisdiction, or outside the Classified Service are treated as open competitive candidates.

b. The Director shall in each case determine whether Open Competitive, Promotional, or Open-Promotional recruitment will serve the best interests of the Classified Service. Vacancies in the Classified Service shall be filled as far as practicable by Promotion. In determining the method of recruitment, the Director may consider the following:

1. The number of expected vacancies for the Class;
2. The availability of qualified applicants in lower related Classes;
3. The availability of qualified applicants in the external labor market;
4. The costs and administrative burdens associated with the administration of selection procedures; and
5. Any other factors the Director considers relevant.

9.7 CONTENTS OF EXAMINATIONS

All appointments to the Classified Service, either at the entrance level or the promotional level, shall be made upon the basis of merit, efficiency and relative fitness of Applicants and shall be determined as far as practical and possible by competitive examinations. All announcements and examinations shall be prepared and weighed under the supervision of the Director. Competitive examinations shall relate to those matters that fairly test the relative capacity and fitness of those examined to discharge the duties of the Class. No question in any test, form or application or any other proceedings, however, shall be framed to elicit the political or religious beliefs of Applicants, or designed to unlawfully discriminate on the basis of any protected status.

9.8 RATING EXAMINATIONS

a. In General. Sound measurement techniques shall be used in rating test results and in determining the relative ranking of candidates. In all examinations, the minimum rating standards for all tests, parts and/or sections shall be established under the supervision of the Director. Applicants may be required to attain at least a minimum score on each test component in order to receive a passing score. Each Applicant's final score, before application of any Years of Service points and/or Eligible Veteran points, shall be computed on a 100-point scale, where seventy (70) is the minimum passing score. Each Applicant's final score shall be determined by combining the earned rating on each part of the examination in accordance with the weights established for the examination.

b. Additional Promotional Examination Provisions – Years of Service Points. Where promotional or open-promotional recruitment is utilized and an Eligibility List is ranked on examination score, a promotional Applicant who attains an overall score of seventy (70) or higher on the examination shall have added to his or her score one (1) point for each Year of Service in the Classified Service as of the cutoff date specified in the Announcement, up to and including twenty (20) years.

c. Additional Examination Provisions – Eligible Veteran Points. For any Open Competitive recruitment resulting in an Eligibility List ranked on examination score, an Eligible Veteran or a spouse/widow/widower of an Eligible Veteran who attains an overall score of seventy (70) or higher on an examination and who has the Eligible Veteran status approved prior to the appeal end date indicated on the notice of examination score shall have applicable Eligible Veteran Points added to his or her examination score. Eligible Veterans will be approved to receive Eligible Veteran Points in one, and only one, of the following conditions:

9.11 IDENTIFICATION OF TEST PAPERS

Every Applicant sitting for an examination shall use a pre-assigned confidential code assigned by the Director for use in identifying his or her examination. Any examination not bearing such identification may be rejected and the Applicant so notified.

9.12 REVIEW

a. Disqualification from Examination or Eligibility List. Any person declared ineligible for recruitment and/or examination under Rule 9.5, or disqualified from an Eligibility List under Rule 10.2, may appeal that decision by filing a written appeal with the Director, which fully states the basis for the appeal, within four (4) Business Days from the date the notice of disqualification was issued. The Director shall review the appeal and may, upon a finding of error, permit the individual to be examined or reinstate the candidate to the Eligibility List.

b. Examination Scores. An Applicant may request that the Director review his or her examination score for accuracy by filing with the Director a written request within four (4) Business Days from the date the test scores were issued. The Director's review shall be limited to the accuracy of the scoring procedure and shall not be appealable to the Board.

c. Examination Procedures. An Applicant adversely affected by a material failure of standardization in the examination procedures may file with the Director a written request to appeal within four (4) Business Days from the date the test scores were issued.

d. Content of Examinations. In no case shall the format, content, or subject matter of an examination be subject to appeal.

e. Appeal to the Board. Any decision of the Director pursuant to subsections (a) and (c) above (except when the disqualification is based on Rule 9.5 (a)), may be appealed to the Board by filing a written appeal within four (4) Business Days of the Director's decision. Such appeals shall be deemed received by the Three-Member Board at the first regular or special meeting of the Board occurring at least ten (10) business days after the date on which the appeal is filed. If the Board fails to overrule the Director's decision within forty-five (45) calendar days from the date the appeal is filed, the appeal shall be deemed to have been denied. Pending a final decision by the Board, the Director may permit the complaining party to participate in the selection procedures or to remain upon the Eligibility Lists at issue. Any decision by the Board in accordance with this Rule 9.12(e) shall be final and not appealable.

9.13 CHANGES TO ELIGIBILITY LISTS PENDING APPEAL

Whenever a review of ratings results in a change in Rank on the Eligibility List, all persons so affected shall be notified by suitable electronic means, or by U.S. Mail, as may be prescribed by the Director. The Director may certify candidates from an Eligibility List during the relevant appeal period if an appeal is filed pursuant to this Rule, so long as no appeal is prejudiced by issuing the Certificate of Eligibles; provided, however, the Director shall endeavor to delay, to the extent practicable, issuing any Certificate of Eligibles until each appeal is resolved.

9.14 FRAUD

a. No person shall:

1. Make use during an examination of any extraneous information such as another Applicant's test materials, memoranda, crib notes, pamphlets, books, cellular telephones, or other electronic devices of any kind;

2. Knowingly possess or use without authorization, before or during an examination, any secret, confidential or proprietary information relating to the content of the examination;

3. Willfully make a false mark, grade, estimate or report on an examination, self-report questionnaire, or minimum qualifications form with respect to the standing of an Applicant;

4. Willfully make any false representation concerning an Applicant; or furnish to anyone special or secret information for the purpose of improving or injuring the prospects or chances of the appointment, employment or Promotion of any person examined or to be examined; or

5. Fail to inform the Director of Personnel if such person has reason to believe that he or she, or any other Applicant, has violated any of the provisions of Rule 9.14(a)(1)-(4).

b. Any person found to have violated this Rule 9.14 shall, in addition to any disciplinary action that may be taken pursuant to Rule 12 and/or any other sanction imposed by any law, rule, regulation, or policy, be disqualified from the examination and barred from participating in any future competitive examinations unless permitted by unanimous consent of the Board.

9.15 CANCELLATION OF EXAMINATION

The Director may cancel, postpone, reschedule, or reannounce any examination for any good and sufficient reason deemed in the best interest of the Classified Service. All such incidents shall be reported to the Board and shall appear in the minutes with the reason for such action.

9.16 RESCHEDULING AND MAKEUP EXAMINATIONS

Unless required by state or federal law or explicitly allowed under these Rules, the Director shall not allow an Applicant to take an examination at a time or date other than the time(s) or date(s) set for all other Applicants.

RULE 10: ELIGIBILITY LISTS AND CERTIFICATION

10.1 ELIGIBILITY LISTS

The Director shall establish and maintain Eligibility Lists as set forth in this Rule as he or she deems necessary to meet the needs of the Classified Service. An Eligibility List shall have a duration of not less than one year, except where the Director determines that closure of the Eligibility List is in the best interest of the Merit System.

10.2 REMOVAL OF NAMES FROM ELIGIBILITY LISTS

Upon the Director's own initiative, or upon the written request of an Appointing Authority supported by appropriate documentation, the Director may remove the name of an Eligible Candidate from an Eligibility List:

- a. If the Eligible Candidate is employed or appointed by any Appointing Authority in the Class for which the Eligibility List exists, except in the case of an emergency, temporary, or part-time appointment;
- b. Upon expiration or termination of the Eligibility List;
- c. For any reason that would constitute cause for disqualification under Rule 9.5;
- d. If the Eligible Candidate declines three (3) or more offers to interview, opportunities to interview; and/or offers of employment from the same Appointing Authority for the Class for which the Eligibility List exists, the Eligible Candidate shall be removed from the Eligibility List for that Class for that Appointing Authority; or
- e. For any other good cause consistent with the intent and spirit of the Act.

The Director shall provide timely written or electronic notification to any Eligible Candidate disqualified from an Eligibility List. An Eligible Candidate who is disqualified from an Eligibility List may appeal in accordance with Rule 9.12(a).

10.3 REINSTATEMENT TO ELIGIBILITY LIST

Any former Regular Employee separated from the Classified Service in Good Standing in a job class for which he or she has completed the Probationary Period may, within two (2) years from the date of separation, apply to the Director to have his or her name placed on the Eligibility List for the Class the employee held at the time of separation. In order to qualify for reinstatement under this Rule 10.3, the applicant must meet any established minimum qualifications for the Class existing at the time of the application for reinstatement. Such request shall be made in writing to the Director, who shall submit his or her recommendation to the Board for review and final approval. Upon reinstatement, the name of the former employee shall be added to the active Eligibility List and certified for employment consideration in accordance with Rule 10.4 for the duration of the Eligibility List. Any former employee reinstated to an Eligibility List may not seek reinstatement to a future Eligibility List for the same job if that job has been posted for application after the employee has been reinstated. Any person subsequently appointed after being reinstated to an Eligibility List under this Rule 10.3 shall not be deemed a Regular Employee until completion

of the Probationary Period. Nothing in this Rule 10.3 shall be construed to interfere with any reinstatement rights under state or federal law, and to the extent this Rule is inconsistent with such state or federal laws, the provisions regarding reinstatement in such laws shall control.

10.4 CERTIFICATION

a. Based on the receipt of an authorized requisition from an Appointing Authority, the Director shall select for Certification the names of Eligible Candidates from the appropriate Eligibility Lists in the following priority:

1. If a Layoff List exists for the Class to be filled which contains the name of at least one former Regular Employee from the Appointing Authority submitting the requisition, then the highest ranking name on that Layoff List shall be certified, and none other. If a Layoff List exists for the Class to be filled, which contains the names of former Regular Employees from other Appointing Authorities, the Director shall certify up to 10 names from that list, in order of Seniority in Class. If fewer than ten names are thus certified, then the Director shall certify the difference in accordance with paragraphs (2), (3), (4), and (5) below.

2. If a promotional list exists:

- (a) Eligible Candidates presently employed by the Jurisdiction in which the vacancy exists, in Rank order based on test score including Years of Service points, then
- (b) Eligible Candidates presently employed by other Jurisdictions, in Rank order based on test score including Years of Service points.

3. If an open-promotional list exists:

- (a) Eligible Candidates who are presently employed within the Classified Service of the Jurisdiction in which the vacancy exists and who are employed in a Class within the defined promotional sequence, in Rank order including Years of Service points, then
- (b) Eligible Candidates who are presently employed within the Classified Service of the Jurisdiction in which the vacancy exists, but who are not within a Class in the defined promotional sequence, in Rank order excluding Years of Service points, then
- (c) Eligible Candidates not employed by the Jurisdiction in which the vacancy exists, in Rank order excluding Years of Service points.

4. If an open-competitive list exists, Eligible Candidates from the open-competitive list, in Rank order based on test score including any Eligible Veteran Points.

5. If individuals who have been reinstated in accordance with Rule 10.3 exist on the Eligibility List, then such individuals shall be added to the Certificate of Eligibles generated in accordance with paragraphs (2), (3), and (4) above.

b. Rule of Ten Ranks. Unless otherwise allowed for appointment under these Rules & Regulations, positions shall be filled by the rule of ten (10) Ranks, with one additional Rank for each vacancy past the first vacancy (for example, if there are two vacancies, the Board shall certify

11 Ranks). In accordance with Rule 9.9, a Rank shall include the name or names of all applicants from an Eligibility List having the same final score.

c. Optional: Rule of Five Eligible Candidates. If the requested Certificate is for the entry-level position of Police Officer, Deputy Sheriff, or Firefighter, the Appointing Authority may request the Certification of the names of five (5) Eligible Candidates for each vacancy in lieu of 10 Ranks. If so requested, the Personnel Director shall certify the number of Ranks sufficient to include a minimum of five Eligible Candidates for each vacancy requested. An Appointing Authority desiring to invoke this option must so state in writing in the initial request for Certification.

d. Where the Appointing Authority requesting the Certificate has distinct organizational departments, in no case will an Eligible Candidate be certified to a department for which he or she has rejected an offer of employment in the same Class.

e. Upon request of the Appointing Authority, the Director shall add to a Certificate of Eligibles any candidate who is certified by the Alabama Department of Rehabilitation Services or by the United States Department of Veteran Affairs Vocational Rehabilitation and Employment Service as being significantly disabled and eligible for rehabilitation services, who either:

1. Meets the minimum qualifications for the Class and has achieved at least the minimum qualifying score on any examinations administered by the Director for the Class, or
2. Has demonstrated, during a period of temporary appointment approved by the Director, the ability to successfully perform the essential duties of the position to which appointed.

Such Eligible Candidate shall be added without regard to his or her relative Rank on the Eligibility List. The Director shall not flag, segregate, or otherwise identify eligible candidates whose names have been added to Certificates of Eligibles pursuant to this Rule 10.4(e).

10.5 WAIVER OF CERTIFICATION RIGHTS

a. Before being certified, an Eligible Candidate may waive, in writing, Certification rights for a period not to exceed six (6) months. Such written request shall set forth in detail the reasons for such request. All such requests must be approved by the Director, taking into consideration the needs of the Classified Service and interests of the Eligible Candidate. During the period for which waiver is granted, such Eligible Candidates will not be certified or considered for appointment.

b. Under no circumstances other than those cited above, or those cited in Rules 9.5, 10.2, and 10.4, shall any Eligible Candidate be bypassed for Certification.

10.6 SUPPLEMENTAL CERTIFICATIONS

Should Eligible Candidates be eliminated from a Certificate of Eligibles, through offers of employment or interviews that are declined, through disqualification, or otherwise, such that the Certificate of Eligibles contains fewer than ten (10) Ranks, the Appointing Authority may request

a supplemental Certification. A request for supplemental Certification shall be made in writing or through appropriate electronic means to the Director. Upon receipt of a request for supplemental Certification, the Director shall verify that fewer than ten (10) Ranks remain on the Certificate, and if the appropriate Eligibility List contains additional Ranks, shall certify a new number of Ranks sufficient to provide the Appointing Authority with no less than ten (10) Ranks.

10.7 INTERFERENCE WITH CERTIFICATION RIGHTS

After an Eligible Candidate has been certified to the Appointing Authority, the Appointing Authority shall not take any action which is intended to or may have the effect of encouraging an Eligible Candidate to withdraw his or her name from consideration. If the Director finds that Eligible Candidates have been eliminated from the Certificate in a manner that contravenes this Rule 10.7, any subsequent request for supplemental certification shall be denied, and the appointment, if any, may be set aside.

RULE 11: APPOINTMENTS, PROMOTIONS, DEMOTIONS, TRANSFERS, AND ASSIGNMENTS

11.1 REQUEST FOR A CERTIFICATE OF ELIGIBLES

Any Appointing Authority desiring to fill a vacant position shall submit an electronic request to the Director.

11.2 APPOINTMENTS FROM CERTIFICATES OF ELIGIBLES

a. The Director shall review a requisition under Rule 11.1 and prepare a Certificate of Eligibles within a reasonable period of time.

b. The Appointing Authority may make an appointment from the Certificate of Eligibles, or, in accordance with Rule 9.5, 10.2, and/or 10.6, request that the Director disqualify from the Eligibility List, and/or remove from the Certificate, one or more Eligible Candidates.

c. The Appointing Authority has sixty (60) days from issuance of the Certificate of Eligibles to make an appointment or provide the Director with written notification that the requisition has been withdrawn and the reasons for the withdrawal. If no appointment is made within sixty (60) days of the date of the issuance of the Certificate of Eligibles, then the Certificate of Eligibles shall expire, unless extended upon written request of the Appointing Authority and approved by the Director.

11.3 TYPES OF APPOINTMENTS

Except as specifically provided otherwise in these Rules, all appointments to the Classified Service shall be made through the announcement and competitive processes set forth in the Act and these Rules. Appointments to the Classified Service may be either Standard, Lateral, Promotion, Demotion, or one of the appointment methods outlined within this rule. Any existing Regular Employee who is subject to an appointment under this rule shall retain his/her Regular Employee rights under these Rules & Regulations with regard to his/her permanent job class (i.e., the class occupied prior to the appointment under this rule) and will continue to accrue Seniority within that job Class and within the Merit System for the duration of the appointment; however, no such Seniority is accrued for the job class associated with any of the types of appointment provided in this rule.

a. Provisional Appointments. The Director shall make all efforts to establish an Eligibility List within forty-five (45) days of proper notification of a vacancy by an Appointing Authority. If efforts to establish an Eligibility List are expected to exceed this forty-five (45) day period, the Director may approve a provisional appointment in the absence of an appropriate Eligibility List. When an Eligibility List is anticipated within the forty-five (45) day period, a provisional appointment may only be allowed with the unanimous approval of the Board. Any such candidate for provisional appointment must meet all education, experience and related requirements set forth by the Director. Provisional appointments shall be for a period of not more than four (4) months, and no provisional appointment shall be continued for more than sixty (60) calendar days after the establishment of any Eligibility List for the class. Any provisional

appointee who fails to achieve a score on the competitive examination placing him or her in certifiable range on the Eligibility List shall be removed from the provisional appointment after the appropriate Eligibility List is established. The provisional appointment of any individual shall not confer on the appointee any rights of status, appeal or related rights set forth under these Rules.

b. Interns. Intern appointments have the purpose of affording students an opportunity to gain actual work experience in the public service. Intern appointments are reserved for individuals who are current students with a “C” or better grade point average and may not exceed one (1) year in duration. An individual may not serve in more than two (2) intern appointments within the Merit System. The appointment of any individual as an intern shall not confer on the appointee any rights of status, appeal or related rights set forth under these Rules. Jurisdictions are responsible for ensuring adherence to any and all state and federal laws regarding internships.

c. Temporary Appointments. Temporary appointments may be granted in certain circumstances as defined below. Candidates for temporary appointments must meet the requirements recommended by the Director and approved by the Board. The temporary appointment of any individual shall not confer on the appointee any rights of status, appeal or related rights set forth under these Rules.

1. Temporary Need Appointment. A Temporary Need Appointment may be granted in extenuating circumstances to allow an Appointing Authority to appoint an individual to a Classified Position for a temporary period to address a transitory work need, such as another incumbent being on extended leave, a temporary spike in workload (e.g., an election), or other legitimate business reason that warrants the need for temporary employment help. Temporary Need Appointments may be approved to cover the projected period of need; however, such appointment may not exceed twelve (12) months in duration.

2. Temporary Reclass Appointment. A Temporary Reclass Appointment may be requested in situations where a position occupied by an employee is recommended for reclassification under Rule 7.7 and no Eligibility List for the recommended Class exists, or an Eligibility List exists but the incumbent employee who occupied the position recommended for reclass is not on the list. A Temporary Reclass Appointment may not extend beyond sixty (60) days after establishment of the new Eligibility List for the reclassified job Class.

3. Temporary Trainee/Apprentice Appointment. A Temporary Trainee/Apprentice Appointment may be requested to fill a position within an established trainee or apprenticeship program that has been formalized by a Jurisdiction and approved by the Personnel Board. The maximum length of the Temporary Trainee/Apprentice Appointment shall be congruent with the timeframes established in the Personnel Board approved trainee or apprenticeship program, but may not exceed twenty-four (24) months.

d. Emergency Appointments. Upon receipt of request from the Appointing Authority citing emergency condition(s), the Director may authorize an emergency appointment not to exceed thirty (30) days. The manner of appointment and rate of compensation shall be set by the Director. An emergency as used herein means an unforeseen condition which is likely to cause loss of life, loss or damage to property, the stoppage of service or serious inconvenience to the public. Candidates for emergency appointments shall meet the requirements recommended by the

Director and approved by the Board. The emergency appointment of any individual shall not confer on the appointee any rights of status, appeal or related rights set forth under these Rules.

e. Federally Funded Positions. Positions created in the Classified Service through a federally financed program established for the sole purpose of providing temporary employment or employment training opportunities convey no rights of tenure or permanency. Otherwise, a Jurisdiction that accepts and utilizes federal funds for the creation of public employment opportunities when budgeted on a Full-time basis for twelve (12) months or more shall be treated as any other position in the Classified Service and must be filled through the competitive process prescribed by these Rules. Should the applicable federal regulations controlling the use of such funds prescribe unusual or exceptional prerequisites for employment in said program, the Director, subject to approval of the Board, may prescribe the manner in which the position shall be filled and related conditions of employment.

f. Wartime Appointments. During a time of war or other hostilities, whether or not formally declared as such by Congress, the Director, with the Board's approval, may authorize temporary appointments to positions for which there are no appropriate Eligibility Lists. Such appointments shall not confer any status or Seniority in the Classified Service or any rights under these Rules to persons so appointed. Such appointments shall not continue for a period longer than the duration of the war or emergency period plus six (6) months. A Classified Employee appointed to a higher classification pursuant to this Rule shall not obtain any rights or claims to the higher classification but shall retain all rights previously accrued, so Seniority shall accrue as if the wartime appointment had not occurred. Candidates for wartime appointments shall meet the requirements set by the Director.

g. Secondary Appointment. A Classified Employee within a Merit System Jurisdiction may be appointed to a secondary appointment within another Merit System Jurisdiction in accordance with Rule 11.13. Secondary appointments are limited to part-time employment. The secondary appointment of any individual shall not confer on the appointee any rights of status, appeal or related rights set forth under these Rules. A Classified Employee may not have more than one secondary appointment at any given time.

11.4 USE OF INDEPENDENT CONTRACTORS

a. Prohibition on Use of Independent Contractors. No Appointing Authority shall retain the services of an Independent Contractor except as provided in this Rule 11.4.

b. Request. Prior to retaining the services of an Independent Contractor, the Appointing Authority shall submit a written request to the Director in accordance with adopted Board policy, along with a copy of any proposed contract(s) or general description of the services to be provided by the Independent Contractor, along with a detailed description as to why the services of the Independent Contractor are necessary. Upon receipt of the request, the Director shall forward the request to the Board for its approval. The Board may grant such request with or without conditions, restrictions, or limitations. The Board shall consider the following factors in reaching its decision on any request made by the Appointing Authority:

1. Whether qualified persons are available for appointment under the Act or these Rules for performance of the type of work to be performed by the Independent Contractor at issue;

2. Whether the type of work at issue is such as may reasonably be expected to be continuous for an indefinite time, or whether it is periodic or sporadic in nature;

3. Whether the work performed, or to be performed, is customarily and generally given to Independent Contractors; and

4. Whether the Appointing Authority at issue has the physical facilities to perform the work for which the Independent Contractor is to be retained.

c. Exception. For purposes of this Rule 11.4, the term “Independent Contractor” shall not include any person, firm, or entity retained by the Appointing Authority for the construction of viaducts, bridges, street improvements, sewers, canals, public buildings, or public utilities.

11.5 DOCUMENTATION OF APPOINTMENTS

All documentation related to appointments, including but not limited to Personnel Action Forms, shall be received prior to the effective date of the proposed personnel action.

11.6 PROBATIONARY STATUS OF APPOINTMENTS

a. Any employment in a Position in the Classified Service shall be subject to the satisfactory completion of a Probationary Period:

1. Following any Standard Appointment;

2. Following a Lateral Appointment from an Eligibility List;

3. Following a Promotion; and

4. Following a Demotion to a Class, pursuant to Rule 11.7, for which the employee did not previously complete a Probationary Period.

b. Rollback to formerly held class. During the Probationary Period following a Promotion, Lateral Appointment, or Demotion, a Regular Employee may be returned to his or her last held class if a position is vacant and agreed upon by the Appointing Authority over the formerly held Class. A Regular Employee who is returned to their formerly held Class during the probationary period following any of the aforementioned appointment types shall be placed at the rate of pay received in the former Class at the time of the appointment, plus any annual merit increase that would have been due had the appointment not occurred. An employee returned to the former Class under this rule does not have the right to appeal under Rule 12.2.

11.7 DEMOTIONS

A Demotion may occur for any of the following reasons:

a. Demotion for cause. A Classified Employee may be demoted for cause as defined in Rule 12.2. Demotion for cause may be to any lower graded Class so long as the employee meets

the required qualifications for the position. Demotion for cause from a Class for which a Regular Employee has completed the Probationary Period is an appealable event under Rule 12.

b. Voluntary Demotion. A Regular Employee may voluntarily request or accept a Demotion upon the approval of the Appointing Authority and the Personnel Board. A voluntary Demotion may only occur to a Class formerly held by the employee.

c. Demotion resulting from a reduction in force. A Regular Employee may be demoted as part of a reduction in force as outlined in Rule 11.12(c) of these Rules.

11.8 INTERGOVERNMENTAL CAREER TRANSFERS

Any person holding permanent status in the State of Alabama Merit System, or holding similar status in the civil service of the federal government, may be appointed without examination to a position in the same or a similar Class in the Classified Service, provided that any such appointment shall be recommended by the Director and approved by the Board. Individuals making career transfers to Jurisdictions under the supervision of the Board shall be afforded all Seniority accrued with the government prior to the transfer. The Appointing Authority may elect to recognize vacation and sick leave accrued with the government prior to the transfer. Employees transferred under this Rule enter the Classified Service as Regular Employees.

11.9 REASSIGNMENT

The Appointing Authority may at any time assign a Classified Employee under his or her Jurisdiction from one position to another in the same Class regardless of the shift, location, or hours of work. Such reassignments shall be made with the retention of all rights of Seniority, vacation, sick leave, and overtime as the employee may have accrued.

11.10 TRANSFERS

a. General Rule. The Director may authorize a Transfer where a Regular Classified Employee in Good Standing seeks Transfer from a Class currently held in one Jurisdiction to the same Class in another Jurisdiction, provided Appointing Authorities over both Jurisdictions consent to the Transfer. The employee must have completed the Probationary Period in the Class within which the Transfer is sought and no additional Probationary Period shall be served in the Class within the new Jurisdiction.

b. Disposition of Leave Upon Transfer. The Appointing Authority who receives the transferee may elect to recognize vacation, sick leave, or both, accrued with the prior Appointing Authority as outlined in Rule 13.19. The transferee shall retain all accrued Seniority within the Classified Service.

c. Procedure. The Appointing Authority that desires the prospective transferee must submit to the Director a written request to affect the transfer. All transfers must be consistent with this Rule and the objectives and purposes of the Act.

11.11 ASSIGNMENT OF DUTIES OUT OF CLASS

a. Unless otherwise provided in these Rules, no Classified Employee may be assigned duties of a different Class for a period in excess of thirty (30) calendar days or 240 working hours in any twelve (12)-month period, except with the approval of the Director. Due to the unique scheduling arrangements of firefighting personnel, no firefighter in the Classified Service may be assigned duties of a higher Class for more than four hundred thirty-two (432) hours in a calendar year, without approval of the Director. If a Classified Employee reasonably believes that an Appointing Authority has required him or her to perform duties of a different Class in excess of the limits allowed in this Rule 11.11, the Classified Employee shall, within thirty (30) Calendar Days, notify the Director in writing. The Director shall undertake such review as deemed necessary and shall report his or her findings to the Board, which shall take such actions as deemed appropriate and notify the employee of its decision. Designation of an individual as "Acting" shall not circumvent this Rule 11.11.

11.12 REDUCTION IN FORCE

The Appointing Authority may reduce staff because of a lack of work, lack of funds, or whenever it is advisable to do so in the interest of economy. If it becomes necessary to reduce staff, the following procedure shall govern the reduction in force:

a. Scope. Reductions in force shall be implemented on a departmental basis. The Appointing Authority shall be responsible for defining its Departments consistent with the definition provided in Rule 1.3 and for maintaining an accurate Departmental listing and structure on file with the Personnel Board. The Appointing Authority shall notify the Director in writing of: (1) each department within the Appointing Authority that will be affected by the reduction in force, (2) each Class within each department to be affected by the reduction in force, and (3) the number of positions to be eliminated in each Class. Such notice shall include the organizational structure of the Appointing Authority and the reason for the reduction in force.

b. Procedure.

1. Before initiating any reduction in force under this Rule 11.12, the Appointing Authority shall release:

i. any employees in the Class(es) in the department to be affected by the reduction in force who are not Regular Employees, regardless of the type of appointment in which the employee serves at the time of the reduction in force, and

ii. any employees occupying secondary appointments in the Class(es) in the department to be affected by the reduction in force.

2. Next, with respect to Regular Employees, the Appointing Authority shall first discontinue any probationary, provisional, seasonal, student/intern, temporary, emergency, or wartime appointments in the Class(es) in the department to be affected by the reduction in force. A Regular Employee who, at the time of the reduction in force, was appointed in a seasonal, temporary, emergency, or wartime appointment shall be returned to employment in the Class in which he or she last held a Full-Time Standard Appointment, if any. Any Regular Employee returned to such prior Class shall be subject to the reduction

in force in the same fashion as all other employees in that Class. Regular Employees serving in probationary and provisional appointments at the time of the reduction in force shall be treated in accordance with paragraph (c).

3. All other Regular Employees shall be laid off in reverse order of Seniority in the Class. If there are two (2) or more Regular Employees who have equal Seniority in Class, the employee with the lowest score on the efficiency ratings for the Class in question shall be laid off first. However, if the efficiency ratings are equal, or if any of the employees with equal Seniority do not have a current (i.e., within the last 18 months) efficiency rating in the Class, then Seniority in the department shall control.

c. Bumping Rights. When a Regular Employee is laid off, he or she shall have the option of working in any lower Class in the department for which the employee is deemed qualified by the Director, provided that such a move does not displace an employee with more departmental Seniority than the employee moving into the lower Class. Any Regular Employee in the lower Class who is so displaced shall have the same rights described in this subsection.

d. Reassignment of Duties. The duties formerly performed by an employee affected under this Rule 11.12 may be assigned to any other employee in the department who is qualified to perform such duties, regardless of the specific Class held by such employee.

e. Notice. Any Regular Employee affected by a reduction in force shall be provided a minimum of fifteen (15) calendar days written notice. Such notice shall provide the Regular Employee with Seniority calculations for both (1) the Regular Employee's Seniority in Class, and (2) the Regular Employee's Seniority in department. The Regular Employee may appeal the Seniority calculations by submitting a written appeal to the Director within five (5) calendar days of receipt of the notice required under this subsection. The Director will review the Seniority calculations at issue and will advise the Regular Employee in writing within five (5) calendar days of his determination. The Director's determination with respect to Seniority calculations shall be final.

f. Layoff Lists. Any Regular Employee laid off pursuant to Rule 11.12 shall, for a period of two years, be placed upon the layoff list for:

1. The Class held at the time the employee was laid-off, and

2. Any Class formerly held in the Merit System at the same or lower Pay Grade as the Class from which the employee was laid-off and for which the Regular Employee remains qualified, as determined by the Personnel Director.

In constructing a layoff list for a particular Class, the Director shall place the names of those individuals who were laid off from that Class at the top of the list in order of Class Seniority. The names of employees who are determined by the Director to be qualified for placement on the layoff list because the employee formerly held the Class shall be placed in the same Rank on the layoff list after the names of the employees who were laid off from the Class.

g. Appeal Rights. Except as provided in Rule 11.12(e), Regular Employees shall not have the right to appeal any aspect of a reduction in force. Allegations of illegality, discrimination, or other wrongdoing or misapplication of this Rule 11.12 shall not create a right of appeal under this or any other Rule.

11.13 SECONDARY EMPLOYMENT

a. General Rule. The Personnel Board of Jefferson County seeks to prevent conflicts between employment within a Classified position and any secondary employment in which a Classified Employee may engage. Jurisdictions may adopt policies that limit, restrict, or prohibit secondary employment for their Classified Employees.

b. A Classified Employee currently employed within a Merit System Jurisdiction may be employed within another Merit System Jurisdiction in a secondary appointment, as defined in Rule 11.3(g), under the following conditions:

1. The secondary appointment must be limited to employment in a part-time capacity. Full-time employment in a secondary appointment is prohibited.

2. The individual seeking a secondary appointment is on a duly issued Certification List for the job class for which the secondary appointment is to occur or the individual currently holds a position within the same Class for which the secondary appointment is to occur.

3. Both the Appointing Authority for the employee's primary position and the Appointing Authority for the secondary appointment must consent to the secondary appointment.

4. The secondary appointment is approved by the Personnel Board Director.

c. A secondary appointment does not confer any rights under these Rules & Regulations and an individual may be terminated by the Appointing Authority of the secondary employing Jurisdiction with no right to appeal under these Rules.

d. A termination for cause of an employee from his or her Regular Classified position shall result in termination of any secondary appointment in which the employee may be engaged with no right under these Rules to appeal the termination of the secondary appointment.

RULE 12: DISCIPLINARY ACTIONS AND APPEALS

12.1 DISCIPLINARY POLICY

The tenure of every Classified Employee shall be conditioned upon his or her satisfactory conduct and efficient performance of assigned duties and responsibilities. A Classified Employee may be disciplined for cause, as defined by Rule 12.2, by the Appointing Authority over the Position held². A Regular Employee who, for cause, is dismissed, demoted (except as governed by Rule 11.7(a)), or suspended (other than a suspension governed by Rule 12.12), or placed on Administrative Leave Without Pay for more than five (5) working days pursuant to Rule 13.20(c), shall have the right of appeal as set forth in this Rule 12.

12.2 DEFINITION OF “FOR CAUSE”

The following reasons shall constitute “for cause:”

- a. Absent without leave;

- c. Conduct unbecoming a Classified Employee;
- d. Conviction of any criminal offense involving moral turpitude;
- e. Disorderly or immoral conduct;
- f. Abuse of leave policies;
- g. Incompetence or inefficiency;
- h. Insubordination;
- i. Reporting to or engaging in work while under the influence of alcohol or a controlled substance;
- j. Neglect of duty;
- k. Negligence or willful damage to public property or waste of public supplies or equipment;
- l. Violation of any rule or regulation of the Appointing Authority, or failure to comply with instructions made and given by a superior officer or supervisor;

13.8 HOLIDAY LEAVE

Unless the Appointing Authority has an established policy to the contrary, which is on file with the Board, accrual, accumulation, and use of vacation leave shall be governed by the following Rules:³

³ Pursuant to 1989 Ala. Acts 765, the provisions of Rule 13.9 (and the corresponding provisions of Section 19 of the Enabling Act), relating to accrual, accumulation, use, disposition, and forfeiture of annual vacation leave, are applicable at the option of each Appointing Authority. The Board strongly encourages Appointing Authorities to abide by these Rules, which are intended to implement Section 19 of the Enabling Act. If an Appointing Authority elects not to apply this Rule or any part thereof, it must so notify the Board in writing, and must provide a copy of the rule(s) to be applied by the Appointing Authority in lieu of this Rule.

a. Accrual of Vacation Leave. All full-time Classified Employees shall accrue paid vacation leave. Vacation leave shall accrue at the following rates:

Years of Service Completed	Hours of Vacation Time Accrued per Month	Hours of Vacation Time Accrued per Month (Firefighting Personnel)

At least 12, but less than 25	12	15.96
25 or more	16	21.28

An employee shall not accrue vacation leave during any month in which, for more than fifty percent (50%) of his or her normally scheduled work time, the employee is on a leave of absence without pay, is suspended, or is otherwise in a non-pay status.

b. Accumulation of Vacation Leave. Vacation leave accrued but not used may be accumulated during the calendar year with no maximum amount. However, no more than 320 hours of accrued vacation leave (424 hours for firefighting personnel) may be carried forward from one calendar year to the next, except based on extenuating circumstances and with the approval of an employee's Appointing Authority.

c. Use of Vacation Leave. A Regular Employee may use accrued vacation leave for any purpose. The Appointing Authority or department head shall determine the timing of vacation leave with due consideration to the employee's Seniority, length of service, and the employee's request(s). If a vacation has not been allowed a Regular Employee during a full calendar year, then the employee may demand a vacation as of right, not to exceed twelve (12) work days. Except as provided in Rule 13.19, vacation leave must be taken as leave rather than as a cash payment.

d. Forfeiture of Vacation Leave. Except as provided in the following subsections, an employee shall not be required to forfeit his or her accumulated vacation leave.

1. An employee who is dismissed for cause, as defined in Rule 12 shall forfeit any accumulated vacation leave.

2. If an employee resigns from the Classified Service other than in Good Standing, the Appointing Authority may require the employee to forfeit all or part of his or her accrued vacation leave. If the Appointing Authority so decides, it shall endorse this decision on the personnel action forms separating the employee from the service.

3. An employee transferred leave time to a new Jurisdiction and separates prior to completing the one (1) year period as outlined in Rule 13.19b.

13.10 SICK LEAVE

Unless the Appointing Authority has an established policy to the contrary, which is on file with the Board, accrual, accumulation, and use of sick leave shall be governed by the following Rules: ⁴

a. Accrual of Sick Leave. All Full-time Classified Employees shall accrue paid sick leave at the rate of eight (8) hours per month of service (10.64 hours for firefighting personnel). A Full-time Classified Employee shall not accrue sick leave during any month in which, for more than fifty percent (50%) of his or her normally scheduled work time, the employee is on a leave of absence without pay, a suspension, or is otherwise in a non-pay status.

b. Accumulation of Sick Leave. Sick leave may be accumulated and carried forward from year to year with no maximum amount.

c. Use of Sick Leave. A Regular Employee may use accrued sick leave for any of the following reasons:

1. Personal illness of the employee, including inability to work due to pregnancy, childbirth, or related medical conditions.
2. Personal physician and dental appointments.
3. For the employee to receive treatment, care and/or counseling, as either an inpatient or outpatient, for substance abuse at a duly licensed treatment facility.
4. For any other reason, directly related to the health and wellness of the employee, which, in the judgment of the Appointing Authority, constitutes good and sufficient justification for the use of sick leave.

d. Use of Sick Leave for Family Illnesses, etc. Except as otherwise required by state or federal law or as otherwise provided for in a Jurisdiction's policy governing sick leave usage, a Regular Employee may use up to twelve (12) days per calendar year of accrued sick leave with pay for an illness or death in the employee's immediate family that necessitates the employee's absence from work. For purposes of this Rule, the phrase "immediate family" includes the employee's spouse, children, parents, grandparents, grandchildren, siblings, and legal guardians, as well as the employee's spouse's "immediate family" and includes step-relationships. If an employee uses sick leave for an illness in the employee's immediate family, the Appointing Authority may require appropriate documentation to substantiate the necessity for the use of leave.

⁴ Pursuant to 1989 Ala. Acts 765, the provisions of Rule 13.10 (and the corresponding provisions of Section 19 of the Enabling Act), relating to accrual, accumulation, use, disposition, and forfeiture of sick leave, are applicable at the option of each Appointing Authority. The Board strongly encourages Appointing Authorities to abide by these Rules, which are intended to implement Section 19 of the Enabling Act. If an Appointing Authority elects not to apply this Rule or any part thereof, it must so notify the Board in writing, and must provide a copy of the rule(s) to be applied by the Appointing Authority in lieu of this Rule.

e. Documentation Required for Use of Sick Leave. The Appointing Authority may require a doctor's certificate or other written evidence to substantiate the need for sick leave.

f. Forfeiture of Sick Leave. Except as provided in Rule 13.19, sick leave must be taken as leave rather than as a cash payment, and all accumulated sick leave shall be forfeited upon separation from the Classified Service.

g. Abuse of Sick Leave. Any employee who makes improper use of sick leave may be subject to disciplinary action under Rule 12.

13.11 COMPENSATORY TIME IN LIEU OF OVERTIME COMPENSATION

It shall be the responsibility of each Appointing Authority to determine which of its employees are subject to the overtime and minimum wage provisions of the Fair Labor Standards Act ("FLSA"). If an employee is not exempt from the FLSA, the employee shall be compensated in compliance with the FLSA. Appointing Authorities and Classified Employees may agree to the accrual of compensatory time in lieu of overtime compensation in accordance with the FLSA. In the event of such an agreement, the accrual, use, and disposition of such leave upon separation shall be governed by the FLSA.

13.12 PAID INJURY LEAVE⁵

a. General Rule. A Classified Employee who becomes unable to perform the essential functions of his or her job, with or without reasonable accommodation, because of an accident or exposure to disease arising out of and in the course of employment in the Classified Service, may be granted up to 180 calendar days of paid injury leave. In applying the terms "accident," "exposure to disease," and "arising out of and in the course of employment," the Board and the Appointing Authorities shall be closely guided by the use of these terms in the Alabama Workers' Compensation Act.

b. Procedural Requirements. In order to be entitled to Paid Injury Leave, the employee must comply with the steps set forth below in paragraphs i. and ii.

1. Written Notice. Within five (5) calendar days of the accident, the last exposure to the hazardous condition, or the employee's identification of the disability as job-related, the employee must give written notice to the Appointing Authority. The Appointing Authority shall forward a copy of the written notice to the Director within five (5) calendar days of receipt of the written notice from the employee.

⁵ The Board strongly encourages Appointing Authorities to abide by these Rules; however, an Appointing Authority may adopt other paid injury leave rules/policies consistent with the Alabama Workers' Compensation Act. If an Appointing Authority elects not to apply this Rule or any part thereof, it must so notify the Board in writing, and must provide a copy of the rule(s) to be applied by the Appointing Authority in lieu of this Rule.

2. Application for Leave and Supporting Certification. The employee shall submit a written application for paid injury leave, with the supporting certification described below, to his or her immediate supervisor, who shall transmit the request to the department head. The application shall contain a statement by the employee setting forth the details of the accident and/or the basis for the belief that the disabling condition arose out of and in the scope of employment. The application must also be supported by the certification of a medical doctor or chiropractor. The certification shall include: (a) the nature and extent of the disabling condition; (b) an affirmation of the doctor's or chiropractor's belief that the disabling condition arose out of and in the course of employment, and that the injury or disease would not have occurred but for the employee's job; and (c) the probable or actual period of disability.

c. Initial Decision by Department Head. Within ten (10) calendar days of the receipt of the application and the supporting certification, the department head shall endorse his or her allowance or disallowance of paid injury leave, in whole or in part, on the application.

d. Appeal. An employee whose request for paid injury leave is denied, in whole or in part, shall have the right to appeal the denial. The department head's decision must first be appealed to the Appointing Authority, by making a written appeal to the Appointing Authority within ten (10) calendar days of the employee's receipt of the department head's decision. The Appointing Authority shall notify the employee of its decision within ten (10) calendar days of receiving the employee's appeal. The employee may appeal the Appointing Authority's decision to the Board, by making a written appeal to the Board within ten (10) calendar days of the employee's receipt of the Appointing Authority's decision.

e. Restrictions on Paid Injury Leave. The following restrictions shall apply to paid injury leave:

1. Paid injury leave may be granted only if the disabling condition was caused without the fault or gross negligence of the employee. The phrase, "fault or gross negligence," as used in this Rule, includes: (a) an act or omission rising above mere inattention and demonstrating a lack of ordinary and reasonable care; (b) intoxication by alcohol or a controlled substance; or (c) violation of a written safety policy. Where the fault or gross negligence consists of violation of a written safety policy, a copy of the policy shall (a) be posted, (b) be given or made available to each employee, and (c) be titled "REQUIRED SAFETY RULES."

2. No further or additional paid injury leave is allowed where the requested leave would occur more than twenty-four (24) months after the last period of paid injury leave for the same disabling condition.

3. Paid injury leave shall not be allowed for a mental, psychological, psychiatric, or emotional disorder, unless the disorder (a) is produced or proximately caused by a physical injury to the body, and (b) satisfies the "arising out of and in the course of employment" standard set out above.

4. If the Appointing Authority provides worker's compensation benefits in accordance with the Worker's Compensation Act, the paid leave authorized under this Rule shall not exceed the difference between the employee's regular rate of pay and the worker's

compensation benefit. Merit pay changes and across-the-board pay changes may adjust the rate of regular pay during the disability period.

5. The leave authorized under this Rule must be taken as paid leave; lump-sum and/or commuted payments of injury leave with pay are prohibited.

f. Return to Work. If an employee is unable to resume his or her job duties at the end of a period of paid injury leave, further absences may be charged against the employee's accrued sick leave, vacation leave, and/or Compensatory Time. When the employee is also receiving worker's compensation payments, only the amount of leave equivalent to the difference between the employee's regular rate of pay and the worker's compensation benefit shall be charged against the employee's accrued leave. If, at the end of a period of paid injury leave, the employee is unable to perform the essential functions of his or her job with or without reasonable accommodation, and the employee has exhausted all other available forms of paid leave, the employee may (a) retire from the service, if eligible; (b) request a leave of absence without pay in accordance with Rules 13.18 or 13.20; or (c) be terminated from the Classified Service.

The first 168 hours of leave under this Rule 13.14 per calendar year shall be paid leave. Nothing in this Rule 13.14(a), however, prohibits an Appointing Authority from providing paid leave in excess of 168 hours.

b. In Service of the State of Alabama.⁶ In addition to the leave provided in subsection (a), any Classified Employee who, by reason of membership in the Alabama National Guard or any other reserve component of the armed forces of the United States, is called by the Governor to duty in the active service of the State, shall be entitled to a leave of absence. Nothing in this Rule 13.14(b), however, prohibits an Appointing Authority from providing paid leave in excess of 168 hours.

⁶ Note: While not specifically required by this Rule or any other Rule of the Personnel Board of Jefferson County, Ala. Acts 2002-430, § 6 (Ala.Code § 31-12-6 (1975)) provides that a public employer *may* provide an employee the difference between his or her regular salary and the lower active duty military pay during any period of active service. The Board encourages Appointing Authorities, as resources permit, to extend this benefit to Classified Employees.

a. Eligibility for and Types of Unpaid Leave of Absence. A request for a leave of absence without pay shall be submitted in writing to the employee's department head and shall state the purpose of the leave, and the dates the leave is to begin and end. Upon recommendation

If a Regular Employee with at least five (5) years of service is separated from the Classified Service through a reduction in force and is subsequently rehired from a Layoff List into the Jurisdiction from which he or she was laid off, that portion of the employee's accrued sick leave beyond the accrued sick leave included in the terminal pay calculation shall be reinstated.

13.22 FITNESS FOR DUTY EXAMINATIONS

The Appointing Authority may require an employee to submit to a fitness for duty examination when it is necessary to determine whether the employee is able to perform the essential functions of his or her job, with or without reasonable accommodation, without constituting a hazard to himself or herself, and without endangering the safety, health, and welfare of fellow employees and the public. A fitness for duty examination may be performed by a physician or other qualified examiner designated by the Appointing Authority.

13.23 RE-EMPLOYMENT OR RE-APPOINTMENT OF EMPLOYEES WITH DISABILITIES

a. Re-Employment. A former Regular Employee who retired or otherwise separated from employment due to disability may, upon request of an Appointing Authority and with the approval of the Director, be returned to employment with the former Appointing Authority and appointed, without competition, to any Class for which the Pay Grade is the same or lower than the Class in which the employee was formerly employed at the time of retirement or separation and for which the employee meets the currently established minimum qualifications, excluding

RULE 14: PERFORMANCE APPRAISAL RATINGS

14.1 PERFORMANCE APPRAISAL RATINGS

The Director shall be responsible for obtaining and preserving performance appraisal ratings on all Classified Employees no less than annually. Performance appraisal ratings shall reflect the performance of Classified Employees within their assigned job Class.

14.2 PERFORMANCE APPRAISAL FORMS

For purposes of the performance appraisal ratings required by the Enabling Act and these Rules, all Appointing Authorities must use performance appraisal rating forms provided by the Director, unless an Appointing Authority submits a written request to use an alternative form and such request is approved by the Director. Performance appraisal rating forms shall be based on accepted personnel administration practices in respect to the measurement of performance and promotional potential. All persons responsible for reviewing employee performance shall do so in a careful and responsible manner, conforming to all current policies established by the Board or the Director, in cooperation with the Appointing Authority. This Rule does not prohibit the Appointing Authority from completing assessment or evaluation forms required by any state or federal accrediting or licensing body. In the event an Appointing Authority completes assessment or evaluation forms required by any state or federal accrediting or licensing body, completed copies of such forms shall be provided to the Director.

14.3 APPEAL OF PERFORMANCE APPRAISAL RATINGS

Individuals responsible for completing performance appraisal ratings shall discuss such ratings with their respective Employees. An Employee who disagrees with his or her rating may file a written request to meet with the Reviewing Officer and Department Head within seven (7) calendar days after receipt of the performance appraisal rating. A grievance is a complaint by a Regular Employee or his or her representative alleging that an action taken by a co-employee, supervisor or other person acting on behalf of the Regular Employee's Appointing Authority, adversely affected a substantial term or condition of the Regular Employee's employment with the Appointing Authority. It shall be the burden of the employee to provide sufficient proof of any allegations made against management. Such proof need only be presented in summary or outline form within the statements made on the grievance forms and shall not require submission of documentation in the form of affidavits or other legal documents.

15.2 REQUIREMENTS FOR GRIEVANCE

In order to be adjusted under the provisions set forth in this Rule, a grievance shall cite the details (such as dates, locations, times of day, witnesses, etc.) concerning a particular incident(s) with sufficient specificity to enable the Appointing Authority to prepare an adequate response. Any act of retaliation committed against a Regular Employee for having filed a grievance shall be eligible for adjustment under this Rule.

15.3 MATTERS EXCLUDED FROM GRIEVANCE PROCEDURE

Notwithstanding any other provision of this Rule 15, the following matters are not subject to adjustment under the grievance procedure. If any one of these exclusions applies, the matter is not grievable:

- a. Matters addressed by, or discussed in, another Rule (i.e., classification, pay, reductions-in force, efficiency ratings, etc.), regardless of whether the other Rule contains an appeal procedure. An employee may not circumvent this exclusion by alleging that the Rule in question was applied in an illegal, retaliatory, disciplinary, or other unfair manner;
- b. Loss or absence of premium pay;
- c. Oral and/or written reprimand or an informal performance evaluation;
- d. Matters subject to appeal under Rule 12 of these Rules;
- e. Assignment-related matters such as such as changes in duties within Class, off-days, shift and vacation scheduling, except those assignments considered disciplinary. To avoid this exclusion, allegations of disciplinary motive must be supported by specific facts; and
- f. Matters relating to the Appointing Authority's internal policy or rules that are applied consistently to all Classified Employees and for which there exists no conflict with these Rules or the Act. To avoid this exclusion, the employee must specify the manner in which the policy or rule was applied inconsistently. The Rules and Regulations are not an "internal policy or rule" for purposes of this exclusion.

15.4 GRIEVANCE PROCEDURE

Grievants are assured of freedom from restraint, interference, discrimination or reprisal for presenting a grievance. Counsel or other persons of his or her choosing through the grievance process may represent the grievant through the grievance process. The Grievance shall be conducted according to the following process:

a. Step One:

1. The Grievance, to be properly commenced, must be submitted to the grievant's immediate supervisor within seven (7) calendar days of the incident giving rise to the grievance. If the grievance is against the immediate supervisor, the employee may bypass the immediate supervisor and submit the grievance to the next level supervisor. A copy of the grievance must be filed with the Employee Relations Department of the Board. All such complaints shall cite with specificity the reason and nature of the complaint.

2. Within seven (7) calendar days of receipt of the grievance, the grievant's immediate supervisor (or next level supervisor, if the grievance is against the immediate supervisor) shall reply to the grievant in writing in a form approved by the Director. A copy of his or her reply shall be furnished to the Employee Relations Department of the Board.

3. In lieu of replying, the grievant's immediate supervisor may elect to refer the complaint to his or her immediate superior within the time period of his or her reply, and must acknowledge receipt of the grievance in writing to the grievant no later than the next business day after receipt of the referred grievance. Failure to reply shall result in submission of the grievance to Step Two.

4. Should the supervisor and/or his or her immediate superior not return an answer on official forms within the established time limits, the grievant may proceed to the next step within the time limit outlined below.

b. Step Two:

If the grievant is not satisfied with Step One, the grievant may submit, within five (5) calendar days of the answer or its due date, whichever occurs first, the grievance to the department head in which he or she works. If Step One was submitted to the Department Head, then Step Two may proceed to the next level supervisor. Such departmental head shall reply to the grievant within five (5) calendar days of receipt or referral of the grievance in writing. A copy of the reply by the department head shall be furnished to the Employee Relations Department of the Board.

c. Step Three:

1. If unresolved by the answer in Step 2, the grievant may submit the grievance to the Director on official forms, signed by the grievant, within five (5) calendar days of the Step II answer or its due date. The Director shall then determine whether the grievance is adjustable under this Rule. The Director shall notify the grievant in writing of his or her decision. Either party to the grievance may appeal the Director's determination to the Board within ten (10) calendar days from date of receipt.

2. Hearing Procedures. If the Director determines that the matter is subject to adjustment under Rule 15, the matter shall be assigned to a Hearing Officer, selected from

a list of local attorneys who are trained to conduct Personnel Board administrative hearings, who shall conduct a hearing in the manner consistent with Rule 12.5. After a formal hearing, the Hearing Officer shall render findings of fact and a recommendation to the Board within ten (10) calendar days of the completion of taking testimony and evidence. The Board shall render a decision at its next occurring regular Board meeting.

15.5 RELATED PROVISIONS

a. The Director shall provide such administrative services as may be necessary and shall exercise his authority to require the production of records or appearance of witnesses as may be required to carry out the provisions of this Rule 15.

b. Nothing within the content of this Rule 15 shall be so construed as to limit an Appointing Authority's right to manage its affairs and governmental operations or to infringe on its right and responsibilities to appropriate funds and to fix budgets for the proper expenditure of public funds.

All payrolls submitted electronically by a Jurisdiction for certification purposes will be considered to be true and correct representation of payments made to employees and consistent with the Act and with these Rules and Regulations and to have been transmitted with the approval of the Appointing Authority as such. The Director may audit, sample or otherwise independently verify such payrolls. At the request of the Director, payrolls shall include a Jurisdiction's unclassified service.
- b. It shall be unlawful for any Appointing Authority or officer thereof to make or approve any disbursement of public funds for personal services unless the Director has certified that the payment is consistent with the Act and these Rules and Regulations.
